

HAWAII HAZARD MITIGATION PROJECT NOMINATION

Jurisdiction:		Agency/Organization:	
Project Title:		Contact Person:	
		Phone:	
		e-mail:	
Hazard(s):			
Flood Zone:	Base Flood Elevation:	Erosion Rate:	
Critical Facility/Population/Asset at Risk:			
Environmental/Historical Preservation Soundness: High Medium Low		Resolution of a High Priority Problem: High Medium Low	
Long Range Solution: High Medium Low		Cost Effective: High Medium Low	
State Hazard Plan Goals & Objectives:			
Estimated Cost of Project:		Project Period (duration)	
Estimated Value of Structure or Facility:			
Sources of Financial Support:			
Overall Priority of Project: High Medium Low			
Project Description: (Use additional pages if necessary)			
Proposal Date:			

Evaluation Category	Considerations	Comments
Social	Community Acceptance	
	Adversely Affects Segments of the Population	
Technical	Technical Feasibility	
	Long-Term Solution	
	Secondary Impacts	
Administrative	Staffing	
	Funding Allocated	
	Maintenance/Operations	
Political	Political Support	
	Plan Proponent	
	Public Support	
Legal	Authority	
	Action Subject to Legal Challenge	
Economic	Benefit	
	Cost of Action	
	Contributes to Economic Goals	
	Outside Funding Required	
Environmental	Affects Land/Water Bodies	
	Affects Endangered Species	
	Affects Hazardous Materials and Waste Sites	
	Consistent w/Community Environmental Goals	
	Consistent w/ Federal Laws
